Thanks, Kris. This language is acceptable. The timing remains a factor. Please let us know when you have final EPA/DOJ approval.

Good Afternoon Luke and Marc,

Attached is the modified settlement agreement with the proposed language for paragraph 33 incorporated. No other language has been modified. EPA and DOJ are going through the final approval process for this language. As before, your client can sign the agreement now or wait until notification of final EPA/DOJ approval. While this language has not received final EPA/DOJ approval yet, we anticipate that this language will be approved.

Please let me know if you have any questions.

Thank you,

Kris
